Hi Jeff,

I'd like to talk to you about this tomorrow if you're available. I'm off, but have a conf call re: HUD/DOT/EPA sustainable communities partnership from 10-noon. I also have a 1pm appt up north. So, how would mid-afternoon work or you, or say 12:30 when I'm enroute? Let me know. Thanks

Michelle,

I talked to Linda Anderson-Carnahan about a detail for someone to cover Judy's work while she works on Bristol Bay. She said we would need a note from you saying we could use an FTE for a period of time (May through December) to cover the Bristol Bay work before the Associates would agree to an SHR.

Are we still on for that approach?
